Hardin Appointed CCA President

In July, **Clare Stortini**, President of the Charlotte Community Association, announced to the Board that she would be relocating to North Carolina, and stepping down as CCA President. After the initial shock, the Board unanimously voted to appoint **Jonathan Hardin** to fill the President's role until the end of 2016. Jonathan has served as Board Liaison for Safety and Security since January, and was recently appointed

to the Vice President role.

When asked for comment, Jonathan said, "I would like to first thank Clare Stortini for her great leadership as President of the Charlotte Community Association (CCA). Secondly, I am honored and excited at the appointment of the Board of Director to serve as President of the CCA. I truly believe this Board is prepared to take this organization to new heights in the coming year. We will need the full support of the membership. We are asking that members consider joining the Board and become an active participant on a committee. Together, we can build new alliances, grow our membership, increase revenue, and increase collaborative efforts in serving our community. Again, I am honored and excited to work for our community as President of the CCA."

The Board congratulates Jonathan and thanks him for his efforts so far. Board members are excited to work with him to finish out the year and close out many of the initiatives from Clare's term.

Letter From Clare Stortini, Past President, CCA

As many of you know, I resigned as President of the Charlotte Community Association (CCA), Inc. as I'm relocating to the Charlotte, NC area. Thankfully, I will be able to wear my Charlotte (Rochester, NY) t-shirts with great pride!

Firstly, I want to sincerely thank the Association for allowing me to serve as your President. It was truly an honor and I'm very excited for many more exciting things yet to come for the Charlotte community. As an organization, the CCA is very well known and respected, and I know the Charlotte community is stronger because of the many sustainable partnerships that have been built and existing relationships certainly have been strengthened. Please know I will deeply miss overseeing the affairs of the CCA, along with spearheading efforts to restructure and develop new internal controls for the Association.

Secondly, I would be remiss if I didn't specifically thank Board members to whom I've considered teammates over the course of my term – **Jonathan W. Hardin, Sue Roethel, Patti O'Brien, Donna Bour-Purdy, Mary Chambers and Tommy Borrelli**. Along with **Patrice Rosati** (CCA newsletter) and former board member and CCA Past President, **Brian Labigan**, they all were steadfast in their support of forging ahead to improve operations, transparency and increase membership and inclusion with the utmost professionalism and the CCA Mission in the forefront of their minds.

Lastly, the CCA Board of Directors has appointed Vice President, Jonathan Hardin as the new CCA President through the end of this fiscal year. Under Jonathan's strong leadership, I can assure you will witness continued growth and positive improvements to ensure sustainability of the Association. Please help me welcome Jonathan as the new Charlotte Community Association Board President!!!

My sincere best to everyone. **Clare**

Safety and Security Committee Update - National Night Out 2016

by Jonathan Hardin

On August 2nd, 2016, the Charlotte Community Association, along with neighborhood groups from Maplewood, Lyell-Otis, Dutchtown, JOSANA, Westside Neighbors, Edgerton and Rochester Police Department's (RPD) Lake Section's **Captain Raymond Dearcop and Lt. Jeffery Koehn**, partnered together for the National Night Out event in Rochester. This is held nation-wide by community groups and neighborhood associations to "promote police-community partnerships and neighborhood camaraderie to make our neighborhoods a safer, better place to live."

Neighborhoods across the nation hosted block parties, festivals, parades, cookouts and other community events to show a visible presence. The participating neighborhoods in the City of Rochester Northwest Quadrant came together to fellowship and spend time getting to know each other. The more we know our neighbors and the more we interact with each other is the key to

fighting crime in our communities.

The night kicked off with a motorcade starting at the RPD building at 1099 Jay Street and continued thorough the different neighborhoods, ending at Ontario Beach Park for a hot dog roast and picnic. RPD provided a beautiful cake, everyone brought a dish to share and good memories were made. We hope to see you next year and please continue to meet your neighbors in efforts to combat crime in our communities.

If you would like to help plan the next National Night Out, join the Safety and Security Committee. Jonathan Hardin is the board liaison and he can be reached at mrjhardin@yahoo.com.

Please join the CCA Board in welcoming **Gini Weslowski** to the Board. Gini was appointed in August to fill an open Director's position through the end of 2016. She is retired from the University of Rochester, where she was the Administrator for the Department of Neurology. Gini graduated from the U of R, and received a Master's degree in Public Administration from Syracuse University. She spent 12 years in Alexandria, VA, where she was Vice President for Research for the National Public Health and Hospital Institute. She and her husband moved to St. Paul, MN, where she was the Director of

the Data Analysis Program for the State Health Department While in Minnesota, the Weslowski's adopted two children from Poland, Erik, now 26 and Angelika, now 22. Shortly thereafter, the family moved to Pittsford. In 2015, they moved to Charlotte. Gini and Ben chose Charlotte because they love the area, and especially love being near Lake Ontario. CYAA Completes 63rd Season! *By Brian Labigan*

Another successful Charlotte Youth Athletic Association (CYAA) 2016 season is complete with participation from 200 boys and girls (ages 4-16) and their families.

Highlights included:

- Games were played twice a week from early May to the beginning of July.
- Skills Challenge day (hitting, throwing and running) was held in June with 1st, 2nd and 3rd place awards and medals for all participants. Thanks to the Ontario Beach Park Program Committee for food and drinks.
- The CYAA partnered with the Rochester Red Wings to sell tickets to players and families for a Saturday night game in June commencing with the kids walking on the field and ending with fireworks.
- The season culminated with a Trophies and Pizza night.

Many thanks go out to the commendable donations of time, effort, monetary and kind support of our dedicated parents, volunteers, team sponsors and benefactors. The overall viability of the CYAA depends on these partnerships. CYAA, along with the **City of Rochester, Senator Robach, and Monroe County** have been negotiating for the construction of a concession/bathroom/storage building finally scheduled to start in fall 2016 with completion in spring 2017. Fund raising is targeted for replacement of the Porta-Johns we now use. Donations may be made at: CYAA, PO Box 12524 Rochester, NY 14612. *We are a federally recognized 501c3 and all donations are tax deductible. 2016 CCA Scholarship Recipients

The Charlotte Community Association is pleased to announce the winners of the \$1000.00 scholarships awarded each year to two Charlotte area high school seniors who are planning to attend college in the fall.

This year's recipients are **Nicholas Lyons**, son of **Veronica and Russ Lyons** of Lake Ave and **Jonathan Geisy**, son of **Jade and Jonathan Geisy** of Beach Ave.

Nicholas will be attending Clarkson College and majoring in Engineering.

Jonathan will be attending Nazareth College and then Syracuse Law in a 3+3 Law major program.

We congratulate Nicholas and Jonathan and thank all of the young men and women who took the time to submit an application. There is a lot to be proud of in Charlotte, as you are all on the way to a bright future.

Nicolas Lyons, son of Veronica and Russ Lyons

Jonathan Geisy, son of Jade and Jonathan Geisy

The criteria used to determine the winners of the CCA scholarship is based on academics, extracurricular activities, and community service, as well as any honors received, letters of reference and finally a short essay from the applicant. The Scholarship Committee assigns a weight to each of these categories and independently scores each application. The CCA works on fund raising events throughout the year to raise money for these awards in order to help young men and women in the community further their education.

Tax Relief for New Yorkers**

As a result of our ongoing efforts to provide more relief to taxpayers, this year my colleagues in the Senate Majority and I delivered real outcomes for hardworking New Yorkers, including:

A Major New Middle-Class Income Tax Cut: This will reduce taxes by approximately \$4.2 billion for millions of middle-class New Yorkers, as well as for tens of thousands of small businesses. This broad-based tax cut will reduce middle-class tax rates by 20 percent, representing one of the largest income tax reductions in New York State (NYS) history.

Landmark Property Tax Rebate Check Plan: The Senate successfully renewed one of the largest property tax relief programs in NYS history, thereby ensuring that homeowners across the state will continue to see substantial property tax relief rebate checks this fall.

To make additional continuous progress, the State Assembly needs to follow the Senate's lead by approving the following measures:

Mandate Relief: The Senate overwhelmingly approved a bill designed to help control property-tax increases by preventing large unfunded mandates from affecting municipal and school district budgets.

Greater Retirement Savings: This year the Senate approved legislation to double the income tax exemption of private pensions and retirement income, increasing it for the first time since 1981 and saving approximately \$275 million annually.

Challenger Miracle Field**

I am so very proud to announce that in August, we were able to secure \$125,000 in funding that will support the completion of Challenger Miracle Field of Greater Rochester. This facility will provide access to physical fitness and team sports opportunities for over 150,000 individuals in the greater Rochester region who live with physical and/or cognitive challenges.

For anyone with a disability or mobility issue, it is vital to be as physically active as possible. In many cases, these individuals face challenges accessing safe, appropriate exercise and recreation facilities. Due to lack of access, many within this population miss out on valuable health benefits as well as the socioemotional rewards of physical activity and group recreation.

Upon completion, Miracle Field will be a versatile, completely flat, cushioned-rubberized surface multi-use field, accommodating a variety of sporting activities such as baseball, soccer, and flag football. The facility will also include a truly inclusive play space and adaptive, barrier-free playground, fully accessible ADA compliant restrooms, dugouts, and bleachers, as well as concessions and a pavilion. This field will truly be a miracle for the many individuals and families who will now have an opportunity to experience the joys and benefits that come from participating in organized sports and recreation. I am profoundly grateful to the many wonderful groups and organizations that have stepped up to the plate and made Challenger Miracle Field a reality for our community. Update: Molly Clifford - Northwest City Council Member

 There have been several developments lately that will impact neighborhood quality of life and warrant community discussion and input. As mentioned at CCA meetings, the City's regulation of "high-impact" retail stores, those that sell alcohol, tobacco and lottery tickets, has been found to be overly restrictive by New York State. High-impact stores can be more problematic for neighborhoods as they tend to attract negative behaviors such as: loitering, noise, unlawful sales, etc. The City's intent with the stricter requirements was to reduce the proliferation of these establishments. Unfortunately, recent State rulings resulted in City Council's need to amend the code to eliminate the high-impact designation at this month's meeting. Consequently, this results in a need to find another way to address this situation.

The study of the City's nuisance-point system is also due to be completed soon. The City implemented its nuisance-point system almost 15 years ago; whereby, the Rochester Police Department (RPD) and City staff from the Neighborhood Service Centers assign a certain number of points to certain quality-of-life violations: noise, drug sales, prostitution, littering (see Chapter 3-15 of the City charter online for specifics). If a property, residence or business is assessed more than 18 points in a 12-month period, it can be shut down. The program has been somewhat controversial due to claims of uneven application in certain quadrants and lack of enforcement in others. The study has reviewed all of the nuisance cases and

data, interviewed City staff and community stakeholders and will be making recommendations soon.

These two developments will influence the reshaping of City policy as it relates to dealing with neighborhood quality-of-life issues. Unfortunately, problem businesses and illegal activity will not go away. Therefore, we need to be realistic relevant to our expectations of what the RPD can and should handle. Neighbors get rightfully frustrated when dealing with "lower-level" nuisance activity which, nonetheless, impacts their quality of life and property values. Several members of City Council would like to incentivize good behavior with stronger "Good Neighbor" policies, which I support, but believe that we will need some alternative enforcement mechanisms for those who are not as interested in being good neighbors.

If you have thoughts or suggestions on how we should deal with nuisance activity, I'd love to hear them! Send me an e-mail at molly.clifford@cityofrochester.gov, or call me at 428-5982.

Charlotte Banners Boost Community Pride

From Burley to Beach, along the Lake Avenue Corridor, the new Charlotte community banners were hung just in time for the Wegmans Family Day, celebrating Wegmans 100th birthday and the 100th anniversary of Charlotte becoming part of the City of Rochester! Led by Rochester City Councilwoman **Molly Clifford**, a team of community members from **CCA, CCDC, POCMA, SG Marina, and the City of Rochester**

Neighborhood Services met throughout the spring to plan this project. The banner designs

were created by Bonnie Miguel, the same designer used for the Charlotte Community Guide, and the Farmers Market logo. The committee felt that the common designs bring a cohesiveness to the visual identity of Charlotte. Twelve different designs were selected that represent the many recreation and community activities that go on in Charlotte.

Thanks to the funders for making it happen – **NYS Assembly member Joe Morelle, NYS Senator Joe Robach, Saul Maneiro** from the Rochester Area Community Fund (RACF), **Wegmans, POCMA, CCDC and CCA**. Banner Committee and funders: **Sue Roethel, Glenn Gardner, Mitch Rowe, Joe Robach, Saul Maneiro, Molly Clifford, Joe Morelle, Marianne Warfle, and Donna Bour-Purdy**. Farewell and Welcome to Lakeside Haven Family Restaurant Owners

Dear Customers of **Lakeside Haven Family Restaurant**, Time flies when you're having fun!! When we opened our business in April, 2005, we didn't know what we were getting into! We understood the challenges of owning a restaurant, but never expected to have such an enriching experience during our time in Charlotte.

The Charlotte community is one big family. We became part of it and were welcomed with open arms. We watched kids from the neighborhood grow up, attend college and do great things with their lives. Young couples just starting their own families and the triumphs and the losses that we have shared and endured with our customers. We walked this journey together. We will cherish and never forget any one of you.

A big **thank you** to all the local businesses that were so supportive, most especially to the best neighbors we could have asked for - the owners and staff of **Charlotte Appliance**. We thank you and wish you continued success!

It was not easy saying goodbye. From the bottom of our hearts we thank you! This journey has ended, but a new one is beginning. We wish Karin and Greg all the best as they start a new chapter in their life!! Warmest Wishes to all of you!!

Athena, Peter and Jimmy

Editor's note: The CCA Board wishes to thank the Hantes family for their support over the years, including their generous financial gift this year. Good luck on your new adventure!

Welcome New Owners of Lakeside Haven, Karin and Greg!

Hello Everyone!
We would like to introduce ourselves. **Greg** is a third generation owner of Woody's Collision and I have worked in the restaurant industry most of my life. We grew up in Hilton and the City of Rochester, respectively, and have many fond memories of

Charlotte. Our children have moved on with their adult lives and we decided that now was the time to pursue my dream of having a place of our own. We fell in love with Lakeside Haven and decided this would be the beginning of a new adventure!

I cannot thank Athena and her family enough for their guidance and patience. Their knowledge of the business and willingness to pass on their recipes has been invaluable; their tolerance of my endless questions has earned them a well-deserved vacation! To the staff at Lakeside - we couldn't do this without you! The wonderful customer service you all give is appreciated more than you know!

A special thanks also to my friends and former bosses at North Chili Family Restaurant - Sammy, Anna, and Mary, for encouraging me, putting up with me, and giving me the opportunity to learn all that I was able to in the years that led up to this endeavor! It would not have been possible without you. To the customers who have come to see us thus far, thank-you for your support and encouragement. To our future customers, we hope our dedication to making Lakeside a continued source of friends, family, and a great meal is evident as you step through our door.

Our warmest regards, **Karin and**

Congratulations, Karin and Greg Williams!

"The Great Steak Out"
at Beatrice Place

Join the Northeast Greece Neighborhood Program—part of Episcopal SeniorLife Communities (ESLC) and based out of Beatrice Place, 600 Denise Road—for **"The Great Steak Out"** on Tuesday, September 27 from 4:00—6:00 p.m. Orders for filet, sirloin, chicken, lobster, shrimp skewers, seafood platters and more are being offered at a nominal fee and accepted through 5:00 p.m. on September 26 by contacting **Mary Ellen VanAuker** at 585.546.8439 x4410 or

mvanauker@EpiscopalSeniorLife.org.

ESLC **Executive Chef David Watkins** will grill out on site and prepare custom meals based on pre-orders. Bring your own dinner plate and enjoy your meal with others in the common area, or bring a take-out container and eat at your own place.

This "take-out" program launched in March, and has been so successful that it is now a monthly event. During the colder months, meals are prepared indoors.

ESLC is pleased to continue offering the

Northeast Greece Neighborhood Program—a health and wellness program for seniors in Northeast Greece and the Charlotte community—which has three main components: physical fitness; nutrition; and education. The program's goal is to assist seniors in maintaining independence by increasing knowledge, activity levels and overall health by offering fun, social programs specifically designed for older adults.

To learn more about the Northeast Greece Neighborhood Program, or Beatrice Place, contact **Mary Ellen VanAuker**, Community Director, at the above contact information.
