Charette Update – June, 2017

As reported last month, the Charrette planning process is underway in conjunction with the Community Design Center of Rochester (CDCR) with approved funding by Rochester City Council. The first milestone is to finalize the Steering Committee members from the community who will lead the process over the next 6 months. Steering committee members so far are:

- ◆ Sue Roethel
- ◆ Jose Peo
- ◆ Glenn Gardner
- ◆ Bob Owens
- ◆ Ann Salter
- ◆ Suzanne Phillips
- ◆ Craig Ristuccia
- ◆ Lee Selover
- ◆ Sharon O'Brien
- ◆ David Divincenzo

The remaining members will be announced at the June CCA meeting on Monday, June 5th at 7:00 in the Roger Robach Community Center along with outcomes from its first meeting. For more information on the process please go to the CCA website at <http://www.charlottecca.org/community-development/charrette-process/>

Jose Peo Named CCA Board Vice President

At the May CCA Board meeting, Jose was appointed by the Board to fill the role of Vice President. In addition to his role as Vice President he will join the Charrette Steering Committee and take over the role of Board Liaison to the Programming & Fundraising Committee. He will be required to run for the Vice President's position in the elections later this fall per the CCA By-laws.

For more information about Jose, you can read his bio on the CCA website: <http://www.charlottecca.org/who-we-are/board-of-directors/>

Congratulations, Jose, and thank you for your service!

Police Citizens Interactive Committee (PCIC)

Safety & Security Report, By Jonathan Hardin

Join the Safety & Security Committee, Tuesday, June 20th, 2017 at the monthly PCIC meeting at 7:00 PM at Aquinas Institute, 1127 Dewey Avenue, Rochester, NY. Residents can ask questions about crime in our area and receive detailed responses. We also receive tips and general information that helps safe guard our community.

A great tool to monitor crime in the City is the Rochester Interactive Crime Map, please find the link below. Zoom in on your area of concern then click on the crime icons to view more details. There are many options available for customizing your search. The information on the site is updated every few days and available to your 24/7.

Editor's Note –

Summer CCA Issue Mailed in July

As a reminder, CCA will mail out a Summer Issue that includes both July and August events.

Please note if you are submitting an article or an event for your organization, the deadline is June 8th.

The Summer Issue of the CCA News will be in mailboxes prior to the July CCA meeting that will be held on July 10th. The CCA News volunteers wish all of you a safe and enjoyable summer!

PCIC continues

Let's all try to become more involved in our community this year!

Community Donations Add Up for Veterans Outreach Program! Thanks to Charlotte Colonials for their support!

Over 250 items were collected at the May, 2017 CCA meeting, which will go to the Richards House and Otto House in Rochester, that service chronically homeless male veterans. Thanks, especially, to the Charlotte Colonials organization, that donated over half of the entire supply. The Charlotte Colonials are a new Semi Professional Developmental Football program that calls Charlotte its home. It's a professional, organized and disciplined team with the objective to help players attend college or the next level of football. Carlos Olivares is responsible for the team, and he and its members are devoted to personal development

and community service. We look forward to working with the Colonials in the future!

Leadership Academy News

Submitted by Callie Andler

There were many celebrations and several firsts this month at the Leadership Academy for Young Men. This spring, students at each grade level have been visiting local colleges. So far, our students have loved trips to St. John Fisher, University of Rochester, RIT, and Daemen College.

Our 1st Leadership Academy Talent Show was a huge success!

Congratulations to all of our talented students and teachers who participated.

Our 1st Annual Mother-Son Dance occurred on Friday, May 12th. Students in all grade levels attended a dinner dance to celebrate the lady in their life. The Sharp Edgez Barber School donated their time to give our students free haircuts in preparation for the Mother-Son Dance.

The Leadership Academy JROTC cadets participated in the 2017 Clean Sweep in early May. Representatives from Rochester Area Colleges (RAC) presented a college admissions panel to our 10th grade students. Also, the JROTC Cadets

coordinated another successful Blood Drive benefiting the Red Cross. Our 2017 Graduates were recognized as part of the Mayor's Reach Higher Campaign. Their photos appear on the City of Rochester website and twitter accounts showing where they will be attending school in the fall.

Finally, we are excited to expand and welcome two classes of 6th grade students in the fall of 2017.

Upcoming Events:

⇒The 9th & 10th Grade Student Council is running a **canned-food drive to benefit FoodLink.**

⇒**Shamari Lewis** (Leadership Academy Senior) will be honored with the Outstanding Senior Award at SUNY Brockport.

⇒Several of Leadership Academy students will be recognized in mid-June as part of **Mayor Warren's Distinguished Gentleman Program.**

⇒In June, Leadership Academy Seniors: **Terrell Green, Olivier Kothor,**

Shamari Lewis and Tymeek Mackie will be recognized as Urban League Black Scholars.

How the Community Can Help:

◆ **Uniform Donations:** As a uniform school, all of our students are expected to wear a blue or white dress shirt, khaki pants, black/brown footwear and a tie. Some of our students and families need assistance obtaining parts of the uniform. If you have any of these items to donate to our Clothes Closet, please drop them off in our main office during the hours of 8:30 – 3:30.

◆ **Donations for our Help Zones:** Our Help Zones are safe spaces where students can come to work out problems that come up during the school day. We are looking to make these spaces as comfortable and welcoming as possible. If you have any furniture, bean bag chairs, lamps, or area rugs that you are willing to donate, please contact Callie Andler at callie.andler@rcsdk12.org.

**Update: New York State Senate
Joe Robach**
New York State Looks to Address High
Water and Flooding of Lake Ontario

All across the lakeshore of the 56th Senate District, residents, businesses and municipalities are struggling with the flooding caused by the high waters of Lake Ontario. It is expected that the high water will continue and all those who call the shoreline of Lake Ontario home must deal with the impact of this ongoing disaster.

At the beginning of May, I called on the International Joint Commission to immediately reexamine Plan 2014. While Plan 2014 is not directly responsible for the abnormally high lake level we are currently facing, it must be reexamined to ensure when waters are expected to rise in the future, that preventative and precautionary measures can be taken in advance of flooding.

As municipalities exhaust their resources dealing with the ramifications of the high water, assisting residents and taking necessary precautions to protect vital infrastructure, we must look at every available way in which New York State can assist in these efforts. I was proud to co-sponsor and support legislation, S5902, which provides access to immediate fiscal assistance for municipalities along the south shore of Lake Ontario during this ongoing crisis.

I was pleased to see the Governor declare a State of Emergency along the Lake Ontario shoreline and create a coordinated Lake Ontario Rapid Response Team to ensure that every available resource from the state would be available to help address and respond to this situation. Additionally, I was encouraged that the Governor echoed my call by having NYS DEC expedite the review of all permits for protective structures along the shoreline.

Residents may call the Lake Ontario Flood Assistance Hotline at 866-244-3839 for the latest information and resources and the DEC's Division of Water at 518-402-8185 for assistance on repairing shoreline protective structures. Please know that I will continue to work with all my

**Update: New York State Assembly
Joe Morelle**
Strengthening Hate Crime Legislation

I am proud to partner with **Assemblywoman Paulin** to sponsor legislation (A7198) which strengthens the definition of hate crimes in New York State by including bomb threats made to public community centers on the list of specified offenses under hate crime law.

Over the past several months, nearly 100 bomb threats have been called into Jewish Community Centers across the country. Earlier this month, the JCC of Rochester was targeted with bomb threats twice in the span of five days; the second of which occurred while the Center was operating as an emergency shelter for those left without power in the wake of a wind storm.

These heinous acts have forced evacuations of hundreds of people, disrupting the many services offered by community centers and placing a strain on families and individuals who rely on them. Most importantly, they compromise the safety and well-being of employees, members, visitors and the surrounding community.

The legislation sponsored would ensure that the act of making a bomb threat targeting public places like community centers due to their affiliation with a particular group because of race, religion or religious practice will be included as a specified offense under the hate crimes statute, enabling perpetrators to be prosecuted for a hate crime.

Individuals and families rely upon community centers to provide safe and welcoming facilities to come together and participate in recreational activities, practice their faith, and celebrate their culture. This much-needed legislation will ensure that threats to these public centers are treated with the severity they deserve. We will continue to reject these demonstrations of hate and remain vigilant in our efforts to protect our communities.

Update: Molly Clifford
Northwest City Council Member
 City of Rochester

The City budget process starts with the Capital Improvement Program (CIP), which provides a five-year plan to maintain, improve, and build our infrastructure and other significant development. The City Council's Finance Committee held a hearing recently to review Mayor Warren's plan and there were several items that may be of interest to Charlotte residents.

At the Port, there is funding this year for a car top launch at Petten St. (for kayaks and canoes, not the tops of cars as Councilmember Haag joked), design for potential development at the old River St. train station, and continued funding for general repairs and maintenance of the River St. Marina and the Port-area roads and trails. Future funding is identified for permitting for dredging (2019-20) and

the River St. roadway and trail connector (2018-19). In what is considered a "holding place," there is funding identified for the expansion of transient marina facilities in 2021-22.

Of more general interest, there is continued funding for general improvements in parks, cemeteries and libraries; in addition to: replacement of fire trucks, police cars and Environmental Services vehicles, though at a somewhat reduced level as we try to anticipate potential changes in federal funding. The safety of our roads, water supply and buildings are of primary concern, which often means we cannot make the investments in development or quality-of-life issues that we would like.

While funding for this year's CIP projects is real, the out-years can be seen as a "wish list." Right now, next year's projects would require nearly \$25 million in State and federal funding, which we cannot confirm at this point since more prioritization will likely be very necessary! The overall 2017-18 City budget plan will be released soon, beginning a month-long review process by City Council and the community as a whole. I hope you will share your thoughts with me!

Cancelled Kite Flight

According to **Joe Carrozzi** of the Ontario Beach Park Program Committee, "Due to high water, beach conditions and the weather forecast (40's and flurries) , we have decided in the interest of safety, to cancel kite flight for the first time in 40 years." Kite Flight was scheduled to take place Sunday, May 7th .
 The event will not be rescheduled this year.
